

SCS HB 1070 -- OFFICE OF MILITARY ADVOCATE

This bill establishes the Office of Military Advocate within the Department of Economic Development for the purpose of advocating for the military services and military bases in Missouri, creating a long-term plan on military sustainability, and helping to fulfill the mission of the Missouri Military Preparedness and Enhancement Commission. The office must be administered by the military advocate who must be appointed by the Governor with the advice and consent of the Senate. The advocate will serve a term of six years, and the department must provide administrative support and staff as deemed necessary to assist the military advocate and to fulfill the statutory mission of the commission.
